## TO CLARISSA

You didn't know  
I saw  
the photograph  
of you naked,  
leaping, arms raised in the air,  
into the rock pool on the beach  
opposite your house.

Why was this photo  
placed on a high ledge  
above the basin  
in your bathroom?  
Anyone small,  
or normal height,  
wouldn't even see it.  
But I'm tall.
