Dying in snow, drowning
I want to die, long to die
I am actually dead
there, on the other side.

I stare at the ironing
think of doing it
think I am doing it
then it is done.

Like being in heaven.
Except the ironing isn't done
and in heaven there will be
no ironing to be done.

For many men of integrity
atheist is a way of saying:
I shall not tell you the name of my God.
