

**Graham Rowlands**

## THE MANAGER

I can manage.  
I don't have to do it &  
I don't have to have done it  
to manage it. I'll manage.  
It doesn't even have to be it.  
It can be anything, any things. Many.  
I always manage to manage.  
I manage management &  
I'm managing well.
