AMERICA YOUR PURITANS ARE SHOWING

America your Puritans are showing
if Ginsberg was alive he'd tell you that
he'd tell you girls should wash their dresses
he'd say America turn your tape recorders off
didn't you learn anything from Nixon
America you know the sweetness of a blow job
you've gotten plenty of your own
America today there are people fighting for food
it's true I heard it on the news
America the rest of the world is laughing at you
and your buckled shoes all shiny with repression
to match the hat Ken Starr keeps in his closet
America this is what Ginsberg was talking about
when he asked
America when will you take off your clothes
