

## TWEETS FROM THE CAMP

I have tried to imagine what kind of tweets someone might send from a camp in Northern Territory that has been identified for intervention by the federal government. The tweets are placed inside the embed script for YOUTUBE.

<object >

<embed >

< param >It cost me 130\$ to sleep on the street. I didn't even bother trying the motels.</param>

< param >My Basic Card did not work today and I haven't eaten a thing. Its ok though, even my hunger is managed for me by CENTRELINK.</param>

< param >Someone had to sign for my new chair. All I need now is the permission to sit on it.</param>

< param >NO LIQUOR/NO PORNOGRAPHY board — We have one in our camp. It's white and blue. You should get one too.</param>

</embed>

</object>
