

ATLAS REPRIEVED

Young bank "Robin" man  
well versed, retired, requires peace  
for the time he spent  
too far away from home . . . . .

Good-bye friend or au revoir  
and thank you for the friendship,  
you've made strong roads in this river of mud  
and never once soiled your hands  
you're a man walk proud  
for men are few  
my privilege, to have met you.
