

THE BOYS OF RHODES/THE GIRLS OF SWEDEN

Denim

Straining to sever the threads
With each calculated slide step.
Gluteus muscles flexed for
every sway and stress.

Shirts

Covering skinny arms and shoulders,
Slit front to the navel.
Silk long sleeves, pearl buttons;
shrug of insouciance.

Cavalier

Cadence down Mandraki Harbor;
Wind whisking ringlet black chest curls.

Soon that great eugenic bitch,
Queen Freya with the golden hair,
will come from
Larvik, Malmo, Lolland.
She will visit the Palace of the Knights,
Flex her giant breasts on Socratous Street,
and finally
Offer succor to the throbbing loins
of the boys of Rhodes.
