

ELIZABETH PERKINS

VISITOR

Enter.

It is good to see you. The chair
is ready. Please sit down.

Interrupt? oh but yes,
now you are here I'm glad you have come.

Drink. Not thirst, no,
you have something to say.

But so have I.

You speak quickly I speak.

But add, speak against, deny.

Assert.

You have something to say.

You speak quickly I speak.

But add, speak against, assert.

Deny.

Some food. An hour you visit
but go without saying. We talked
much. But

sharp with regret I see you go.

Empty.
