

‘TELEPHONE’

This year, over the mountain
Among the monkeys
The news heard,
Spread very quickly
like fire in the jungle.
Whenever there is a long cable,
the cable they said
It spreading all the news.
Here and far-away,
It has been said —

All the monkeys said
Look, all this happiness
Here we are, talking,
And it has been heard all over.
But, this cable is very rare
Where can we find it?
Ah, Maoo! my friends
Let's have it too!
