MICROSOFT OFFICEWORKERS V1.0

office workers are filed away
in chronoalphanumerical order;
shredded;
faxed to other divisions;
photocopied systematically

order is the order of the day

Irene's an answering machine
Warren is a letter
Chris Ortlipp is a paper clip
(he holds it all together)
Tracey is a dictaphone
Josephine a scanner
Carlo is a telephone
& Max a floppy disk

the Executive Search for human data storage units
corresponds
to the administration of
electricity
warranty
& reprogrammable features
w**k is a dirty 4-letter word
where our questioning century
recalls

questions unanswered
